

Tournament Recap Sequoiah CC January 29, 2018

I encourage all of you to view the new website for information, which is found at:
www.pinseekersgolfclub.com

56 players played our Sequoiah CC tournament in the Oakland Hills. The weather was supposed to be low 60's. Well, a cold northeast wind picked up shortly after the round started and the temperature was somewhat chillier. The greens as always here were tricky fast and uneven. This tournament was played in flights as participation exceeded our minimum number of 44 players.

All the particulars for these events can be found on Page 3 of the results attached hereto.

CONGRATULATIONS to everyone...
