

## Tournament Recap Rancho Solano Golf Course February 22, 2018

I encourage all of you to view the new website for information, which is found at:  
[www.pinseekersgolfclub.com](http://www.pinseekersgolfclub.com)

The weather was a little on the chilly side to start. It got better and then started to sprinkle at the end of the round, But this was acceptable as compared to most of the rounds this winter.

All the particulars for these events can be found on Page 3 of the Results on the web.
